

MCRC FROST CALL 008-02 DATED 21 DECEMBER 2001

From: Commanding General, Marine Corps Recruiting Command

Subj: RECORD OF MILITARY PROCESSING - ARMED FORCES OF THE
UNITED STATES DD FORM 1966 PAGE 1 BLOCK 16B

Ref: (a) USMEPCOM Enlistment Testing Program

1. Purpose. To notify all levels within the Marine Corps Recruiting Command, of renorming of the ASVAB TEST by USMEPCOM.
2. Background. The reference provided MCRC with the parameters of the Enlistment Testing Program. This program was tested to facilitate the renorming of the ASVAB Scores. The ASVAB has been modified and the results will be recorded differently. This renorming eliminates the sub-test score CL and Numerical Operations (NO) small score.
3. Information. Effective 2 January 2002, MEPCOM 714 ADP will reflect these score changes. DOD Forms Committee is in the process of changing the DD1966/1 to accommodate the score changes. The MCRISS interface with MIRS is not affected. All enlistment programs that previously required a CL score have been changed to GT score.
4. Action. Effective **2 January 2002**, MEPS Liaison NCO's will record these new scores in Block 16B of DD1966/1. This will require **Pen Change to the small score labels** contained in Block 16B, until new DD1966/1 is approved and issued by DOD. Change the scores as follows:

NO to MK
CS to EI
AS to MC
MC to AO
EI to VE
VE to -

An example of recording these scores is provided below.
